VERIFIED COMPLAINT

Plaintiffs, Diane C. DeSousa and Thomas E. DeSousa, complaining of the
defendants, Richard A. Calvagno II and Patrick J, Karcher allege as follows:

THE PARTIES

1. Plaintiffs, Diane C. DeSousa and Thomas E. DeSousa, ("Plaintiffs") are individuals and residents of the State of New York, County of Suffolk. Both Plaintiffs are senior citizens in their 70's.
2. At all times relevant herein, Plaintiffs were and are the fee owners and residents of a parcel of property together with a home and all structures and items thereon a/k/a 329 Grand Central Avenue, Amityville, NY 11701 (Suffolk County Tax Map ID 0101-014.00-01.00-019.000).
3. Upon information and belief, Defendants, Richard A. Calvagno II ("Calvagno") and Patrick J. Karcher ("Karcher") are individuals and residents of the State of New York, County of Suffolk.

4. Upon information and belief, at all times relevant herein, Plaintiffs were and are the fee owners and residents of a parcel of property, together with the home, all structures and items thereon, known as 320 Grand Central Avenue, Amityville, NY 11701 (Suffolk County Tax Map ID 0101-014.00-02.00-025.000).
5. The homes/real estate parcels of the parties are across the street on Grand Central Avenue in Amityville, NY.
6. Both parcels are located on a point of land on Long Island's south shore. Grand Central Avenue runs down the center of the point and terminates approximately 600 feet south of these locations. As a result, both parcels have street frontage as well as having frontage and dockage on the Great South Bay.
7. The neighborhood is residential, comprised mainly of single-family homes along quiet tree lined, one lane streets.

RELEVANT FACTS

a. Defendant's Car

8. Upon information and belief Defendant Calvagno is the owner and/or operator of Dodge SRT Hellcat motor vehicle, bearing NY license plates "JHT-6413".
9. Upon information and belief Defendant's Dodge automobile has a modified exhaust system, which either fails to sufficiently muffle the automobiles sound when the engine is running or intentionally amplifies that noise and makes it excessive. In either case the Defendant's Dodge automobile is extremely loud when running and becomes increasing louder with increased engine RPM's or speed.

10. Defendant Calvagno's Dodge automobile is equipped with a remote starting device.
11. Upon information and belief, on many mornings between 6:30 and 7 am, Defendant would start and idle his Dodge automobile in the driveway and/or in the street on front of his home for 5, 10, 15 minutes or longer.
12. Upon information and belief, Defendant's operation of his Dodge automobile violates both NY State and Suffolk County Noise Codes and creates an unnecessary, unreasonable interference and intrusion upon the public in general, and upon his neighbors in particular.
13. Further exacerbating his actions when leaving the driveway, proceeding on the public street, the Defendant would speed away driving recklessly and loudly down the public street.
14. While idling, and driving the excessive noise level emitted by the Defendant's vehicle has been measured (from approximately 60 feet) and most times in excess of 75db.
15. For example, I noted and documented said actions on November 27, 2020 (75.2db); November 27, 2020 (74.1); December 3, 2020 (73.5); December 4, 2020 (79.2); December 4, 2020 (77.4); December 15, 2020 (75.0); December 15, 2020 (75.0) and January 5, 2021 (79.9).
16. Defendant's actions create excessive noise and vibration which interfere with the use and enjoyment of our home.

17. Defendant's actions create excessive noise and vibration which roust or deprive Plaintiffs from sleep.

18. Defendant's actions create excessive noise and vibration which the very anticipation of that noise and vibration interfere with our sleep and prevents us from getting sound sleep, in that we wake often during the night anticipating the noise and vibration. sleep.

19. Weather permitting, we are now unable to open our windows to enjoy fresh outdoor air. Because we are forced to keep our windows closed to try and limit the excessive noise and vibration, we are forced to run our air-condition which has increased our electric bills. Unfortunately, even with the windows closed, we can still hear the noise and feel the vibration.

20. Defendant's actions create excessive noise and vibration which are upsetting to both Plaintiffs, causing stomach upset, nausea and manifesting itself in other physical ways as well.

21. While Defendant's action is most disturbing in the morning, he does not limit his activities to mornings alone. He will idle, race and drive his car recklessly at any time of day. Plaintiffs have stop taking walks because of the danger posed by Defendant's reckless driving.

22. Defendants action create excessive noise, vibration and road danger which does decrease and diminish the value and worth of Plaintiffs' home in addition to creating stress which has manifested itself in sleeplessness and other stress related ailments.

b. Defendants renting boat slips.

23. The Defendants' home is situated in a residential low density zoned area.

24. Defendants have a boat dock behind their home, and upon information and belief, during the 2020 boating season the Defendants rent boat slips to others.

25. Renting boat slips to the general public is carrying on a commercial enterprise in a residential zone, and as such, creates excessive noise, congestion, street traffic and parking issues.

26. Upon information and belief, carrying on a commercial enterprise in a residential zone is a violation of local and county zoning codes.

27. Defendants actions create excessive noise, vibration and congestion which decreases and diminished the value and worth of Plaintiffs' home.

c. Defendants renting back and side yards as a catering hall.

28. In addition to having a boat dock, Defendants have a substantial back and side yard area.

29. Upon information and belief, the defendants have rented out, and continue to offer, their back and sides yard for catered parties and events for which they may also provide catering services.

30. Specifically, Defendants held events on Saturday, October 24, 2020 and on or about November 28-29, 2020.

31. These events are crowded, hosting more than 50 guests. These events are loud, noisy and run well into the early hours of the following morning.

32. These events have been held in violation of State and local safety rules, order and regulation. Guests were observed violating social distance directives and interacting without masks.

33. Renting their backyard, hosting catered events and providing catering to the general public is carrying on a commercial enterprise in a residential zone, and as such, creates excessive noise, congestion, street traffic, parking issues and generates an enormous amount of garbage and waste.

34. As the Defendants do not have sufficient facilities to properly handle, contain or store such waste/garbage, much of this trash is left uncovered, open, exposed and may draw insects and vermin to the neighbor. As shorefront properties are unusually susceptible to vermin, this is of a particular concern.

35. Upon information and belief, carrying on a commercial enterprise in a residential zone is a violation of local and county zoning codes and as previously noted currently a violation of executive orders/health and safety directives.

36. Holding events on such a scale and in such a reckless manner creates a danger to general public.

37. Defendants actions create excessive noise, vibration, congestion, generate waste, garbage and increases the chance of infestation of insects and vermin which decreases and diminished the value and worth of Plaintiffs' home.

d. Defendants permit trash and debris all about their property.

38. Defendants have accumulated and maintain substantial litter, uncovered trash and debris on their property.

39. In addition to being an eyesore, this trash may attract and harbor insects and vermin. As previously noted, this property is on the waterfront and as such is particularly susceptible to vermin infestation.

40. The conditions on the Defendants property is an eyesore and is ripe for insect/vermin infestation which would spread to surrounding properties including that of the Plaintiffs.

41. Defendants actions have created an eyesore and conditions which are ripe for insect/vermin infestation all of which decreases and diminished the value and worth of Plaintiffs' home.

e. Plaintiffs requests Defendants to stop their activities.

42. Plaintiff Thomas E. DeSousa approach Defendant Calvagno and requested that he stop idling/revving/racing his car and driving recklessly; he registered complaints concerning the catering activities, as well as boat slip rental. Defendant Calvagno refused to entertain any possibility of abating any such activities.

43. In fact, the Defendant then went on to exacerbate an already bad situation by idling and revving the car longer, seemingly going out of his way to make his presence known to annoy and harass the Plaintiffs more.

Plaintiffs,

VERIFIED ANSWER

-against-

**RICHARD A. CALVAGNO II AND PATRICK J.
KARCHER,**

Defendants.
-----X

The Defendant, **RICHARD A. CALVAGNO II**, by and through his attorneys **JASON M. BARBARA & ASSOCIATES, P.C.**, as and for his Verified Answer to the Verified Complaint, alleges as follows:

FIRST Defendant denies knowledge or information sufficient to form a belief as to the truth of the allegations set forth in Plaintiffs' Complaint in paragraphs numbered: 1; 2; 6; 14; 15; 19; 6, 7, 23 and 26 insofar as they each set forth or purport to set forth zoning classifications; and 25, 26, 32, 33, 35, 36, and 62 insofar as they each set forth or purport to set forth existing law, rules, regulations and ordinances of local law and controlling municipalities, but denies Defendants' violation of any such rules.

SECOND Defendant denies the truth of the allegations set forth in Plaintiffs' Complaint in paragraphs numbered: 4; 9; 11; 12; 13; 16; 17; 18; 20; 22; 27; 29; 30 insofar as it purports to describe two small gatherings hosted by Defendant and misrepresented by Plaintiff as "events"; 31; 32, 33, 34 and 35 as above additionally qualified and to the extent that paragraphs numbered 33-36 suggest the Defendants guilty of any such conduct; 37-43 inclusive; 45-52 inclusive; 54-62 inclusive; 62-65 inclusive; and 67-71 inclusive.

THIRD With respect to Plaintiffs' Complaint paragraph 4, forming the underlying basis upon which each and every cause of action is grounded, your Defendant notes that the Plaintiffs have carelessly alleged that Plaintiffs are the owners of Defendants' property thus rendering the Plaintiff without legal recourse against Defendants on any cause of action relating to the real property.

FOURTH With respect to Plaintiffs' Complaint, paragraph 21 Defendant denies the allegation that Defendant rented the boat slip behind their home.

FIFTH With respect to Plaintiffs' Complaint, paragraph 24 Defendant denies the allegations set forth therein except and insofar as they address Plaintiffs' "walks," and with respect to Plaintiff's conduct or alleged reasons therefor, denies knowledge or information sufficient to form a belief.

SIXTH With respect to Plaintiffs' Complaint, paragraphs numbered: 44; 53; 61; and 66, Defendant repeats each denial or denial made upon information and belief as previously set forth in this Answer.

AS AND FOR A FIRST COUNTERCLAIM

SEVENTH Plaintiffs herein have:

- a. perverted the legal process,
- b. made constant but false complaints to the Defendant, police and other local officials complaining of the acts set forth in its complaint; and
- c. have been told by local police and others that the Defendant is not guilty of any infractions nor violated any local laws, ordinances or rules and that the Plaintiffs have no remedy at law.

EIGHTH That notwithstanding the above, the Plaintiffs nonetheless and maliciously elected to commence this litigation against Defendants with irresponsible haste. Indeed, the Plaintiffs' Complaint:

- a. Erroneously avers in paragraph 4 that the Plaintiffs are the owners of the property upon which subject matter jurisdiction, personal jurisdiction and all causes of action are grounded, thus rendering their Complaint procedurally defective as a matter of law;
- b. Postulates in paragraphs 34 and other paragraphs as to "particular concerns" and the potential for infestation that "may" (but notably that has not) resulted from conditions that such paragraphs do not even accuse the Defendants of having created; and
- c. Concedes in paragraph 42 that he confronted the Defendant but conceals from this Court the fact that the police have been called and told the Plaintiffs that Defendant is NOT guilty of the conduct herein falsely complained of

NINTH By reason of the above, the Plaintiffs are guilty of having abused the legal process and abused process, by commencing this defective and meritless action alleging Defendant's violation of local laws and ordinances when in fact the police have investigated and determined unfounded the complaints Plaintiffs maliciously regurgitate herein. As a result of such conduct, the Defendant is entitled to damages in a sum to be determined by this Court including treble damages.

AS AND FOR A SECOND COUNTER CLAIM

TENTH Defendants repeat and reiterate each and every denial, denial made upon information and belief, and every other allegation set forth above as same were more fully set forth at length herein.

ELEVENTH That the Defendants purchased the subject residence (which the Plaintiff falsely and irresponsibly identifies as its own) at 320 Grand Avenue in or about 2018 in their joint names.

TWELFTH That the Defendant PATRICK J. KARCHER, does not and in fact has never, occupied the subject residence.

THIRTEENTH Rather, the Defendant RICHARD A. CALVAGNO II has always occupied the home with his same sex partner.

FOURTEENTH That the Plaintiffs are morally offended by Defendant CALVAGNO's homosexuality.

FIFTEENTH That as a result of Plaintiffs' prejudice, the Plaintiffs have entered upon a deliberate course of conduct deliberately designed to harass and annoy the Defendants and express Plaintiffs' prejudice against Defendants with the malice aforethought.

SIXTEENTH Indeed, and in the "requests" Plaintiffs' refer to in paragraph 42 of his Complaint and others, the Plaintiff has verbally abused and attacked the Defendant slandering him with offensive slurs like "faggot," "homo" and other intolerant affronts too offensive to repeat herein.

SEVENTEENTH Plaintiff has also approached other neighbors, similarly slandering the Defendant with Plaintiff's prejudicial slurs, to enlist the support of neighbors.

EIGHTEENTH Notably, no neighbors have supported Plaintiffs' efforts and no neighbors have joined in the Plaintiffs' underlying action.

NINETEENTH That Plaintiffs' Complaint is borne of their own hate filled prejudice and discrimination and forms the basis of intentional torts and other offenses arising from their prejudices, hate and discrimination and violation of all laws protecting against such conduct, as a result of which the Defendants ask this Court to punish and sanction Plaintiffs with an award of damages in a sum to be determined by this Court including but not limited to treble damages.

AS AND FOR A THIRD COUNTERCLAIM

TWENTIETH Defendants repeat and reiterate each and every denial, denial made upon information and belief, and every other allegation set forth above as same were more fully set forth at length herein.

TWENTY-FIRST That by reason of the above Plaintiffs are guilty of malicious prosecution, as a result of which the Defendants seek damages in a sum to be determined by this Court.

AS AND FOR A FOURTH COUNTERCLAIM

TWENTY-SECOND Defendants repeat and reiterate each and every denial, denial made upon information and belief, and every other allegation set forth above as same were more fully set forth at length herein.

TWENTY-THIRD That by reason of the above and in consideration of the Plaintiffs' unsuccessful efforts to enlist the support of other neighbors who refused to participate in Plaintiffs' action combined with Plaintiff's nonetheless prosecution of a cause of action for public nuisance without injury to or the support of the public, the Plaintiffs are themselves guilty of private nuisance.

AS AND FOR A FIFTH COUNTERCLAIM

TWENTY-FOURTH Defendants repeat and reiterate each and every denial, denial made upon information and belief, and every other allegation set forth above as same were more fully set forth at length herein.

TWENTY-FIFTH Plaintiff(s) has harassed and menaced the Defendant, followed him to his place of employment where he screamed obscenities meant to menace, shame and intimidate the Defendant, and to also threaten his employment.

TWENTY-SIXTH Plaintiff's harassment, annoying and menacing behavior also includes Plaintiff waiting outside Defendant's home in the morning, shouting obscenities and threats as Defendant exits his home and leaves for work, and or parking his car in front of Defendant's driveway to block Defendant from leaving for work.

TWENTY-SEVENTH That by reason of the above the Plaintiff is guilty of harassment, menacing, intentional infliction of emotional distress and similarly related intentional torts and demands judgment in a sum to be determined by this Court.

AS AND FOR A FIRST AFFIRMATIVE DEFENSE

TWENTY-EIGHTH Plaintiffs' Complaint identifies itself as the owner of both parcels of real property and as such is procedurally defective, fails for a want of jurisdiction, and is defective and void *ab initio*, making false, confusing and misleading statements of essential and material facts.

AS AND FOR A SECOND AFFIRMATIVE DEFENSE

TWENTY-NINTH Plaintiff's Complaint and the causes of action complained of therein fail or to set forth with requisite specificity the conduct complained of and constituting the alleged offense.

AS AND FOR A THIRD AFFIRMATIVE DEFENSE

THIRTIETH Plaintiff's Complaint purporting to set for a cause of action for public nuisance may not be maintained, as a public nuisance requires the complained of conduct to have affected a group of people.

THIRTY-FIRST Plaintiffs' Complaint is maintained in Plaintiffs' individual names and interest, specifically referring to "I," "my," "we" or "our," use and enjoyment of "our home" (§§15, 19 and 21, by way of example but not limitation.)

THIRTY-SECOND More specifically, in their Second Cause of Action for Public Nuisance, Plaintiff complains in paragraphs 57 and 59 of specific damages allegedly sustained by Plaintiffs only, and as such a cause of action for public nuisance is insufficiently pled may not be maintained.

AS AND FOR A FOURTH AFFIRMATIVE DEFENSE

THIRTY-THIRD Plaintiff's Complaint purporting to set forth a cause of action for private nuisance may not be maintained, as a cause of action for private nuisance must allege and demonstrate that the conduct complained of would be considered annoying or upsetting to any reasonable person and the Plaintiff's Complaint fails to include such allegations or make such a showing.

THIRTY-FOURTH In fact, the Plaintiff has called the county Code Enforcement to Defendant's home on more than one occasion and the Code Enforcement have reported to Plaintiff that Defendant's conduct is not unreasonable, does not violate any controlling law and that Defendant has not impermissibly used his property.

AS AND FOR A FIFTH AFFIRMATIVE DEFENSE

THIRTY-FIFTH A defense is grounded upon the Defendant's legal use and ownership of the real property.

AS AND FOR A SIXTH AFFIRMATIVE DEFENSE

THIRTY-SIXTH A defense is grounded upon the Defendant's vehicles factory installed exhaust and remote starter options satisfying all federal and state regulations relating thereto and affirmatively establishing the Plaintiff's complaints to be void of merit, petty, harassing in nature and deliberately aimed at an otherwise innocent Defendant who purchased and operates his vehicle in accordance with all controlling laws, rules and regulations.

AS AND FOR A SEVENTH AFFIRMATIVE DEFENSE

THIRTY-SEVENTH A defense is grounded upon a failure of "substantial" injury.

AS AND FOR AN EIGHTH AFFIRMATIVE DEFENSE

THIRTY-EIGHTH Plaintiffs are barred from recovery of the damages sought due to their contributory and culpable conduct.

AS AND FOR A NINTH AFFIRMATIVE DEFENSE

THIRTY-NINTH Plaintiffs lack standing.

WHEREFORE, Defendant demands judgment on his counterclaims for actual, compensatory and punitive damages including treble damages, in a sum to be determined by this Court and accruing through the date of judgment on each such cause of action and dismissing the Plaintiffs' complaint and denying Plaintiff the relief requested thereunder, together with such other and further relief to be awarded to Defendant as this Court may deem appropriate, and dismissing the Plaintiff's complaint and denying Plaintiff the relief requested thereunder, together with such other and further relief to be awarded to Defendant as this Court may deem appropriate.
