2019 Dodge Charger

To whom it may concern:

The above client's vehicle in question is a 2019 Dodge Charger Hellcat Edition. This is a street performance vehicle that comes factory supplied with a supercharged V8 engine and performance exhaust system, meeting all emissions and federal regulations from the manufacturer. This vehicle has recently been inspected by our facility and passed the annual New York State Motor Vehicle inspection on 6/17/21. The vehicle is not modified from its factory equipment.

If there are any questions related to this vehicle, feel free to contact me at any time.
